

Village University Takes D. C.

Greetings and a very Happy New Year to you!

I am Jahara Davis, and I am thrilled to share with you an exciting opportunity. I have been fortunate enough to receive a small grant that allows me to surprise some of my exceptional former students with a trip to Washington D.C. These remarkable individuals achieved outstanding scores on their EOC exams, even amidst the challenges posed by the pandemic. Now, as graduating seniors, they are preparing to embark on their college journeys.

I would like to invite you to join me in supporting these deserving students by making a donation through the following link. By contributing at least \$60, you will help us reach our goal of raising \$30,000, ensuring that each student can attend this trip free of charge. I encourage you to click the QR Code on the **flyers below** to learn more about this initiative and make your valuable contribution.

Thank you for your kindness and generosity, and may this New Year bring you abundant joy and success.
