# History of Hillside High School

The largest black schools in Durham prior to the building of Whitted School in 1887 were the Ledger Public School in Hayti and the Hack Road Public School. James Whitted, a highly respected man of mixed races (Black and Native American) who had managed to educate himself, was superintendent of Ledger Public School.

In 1887, what is now called Hillside High School was founded under the name of Whitted School in honor of its first principal, James A. Whitted. The school, which was located on the corner of Blackwell and Pettigrew Streets, burned in 1888 and it was relocated into the Bull Factory warehouse. In 1890, 161 pupils attended the school's six grades. Whitted taught the upper grades, William G. Person taught the middle grades and two female teachers taught the first and second grades.

The first class graduated from the ninth grade of Whitted School in 1896. Also, in 1896, a permanent brick building was constructed on Proctor and Ramsey Street for black children at a cost of \$8,000.00. In 1899, the building was destroyed and reconstructed, but students were housed in churches during that school year. In 1901, another black school, West End, was built. At this time 707 students were enrolled in the Durham black graded schools. In 1909, the East End School was constructed.

Only nine grades existed at Whitted from 1896 until 1911, but in 1911 a tenth grade was added. The 11<sup>th</sup> grade was added in 1918. From 1919 until 1920, first graders were housed in "dog houses," which were temporary shacks near the brick school building.

The Whitted School, which was in poor condition, burned in 1921, and students had to attend double sessions at East End and West End Schools. John Sprunt Hill, a leading Durham citizen, donated land for a new building on Pine and Umstead Streets, which was named Hillside Park High School in honor of the donor and the fact that the school was located next to Hillside Park, a public city owned black park. The class of 1944 was the first to graduate under the 12-year system.

The "Park" was dropped from the name Hillside High School in 1943. In 1950, because of overcrowding in the high school, the student body moved into what was then called Whitted Junior High School, located near the campus of North Carolina Central University (NCCU) on Concord Street and the Whitted Junior High School students moved into the Old Hillside Park High School building closer to downtown Durham. The school's buildings also swapped names. Hillside High School at this time only enrolled 10<sup>th</sup>, 11<sup>th</sup>, and 12<sup>th</sup> grades and Whitted Junior High School enrolled 7<sup>th</sup>, 8<sup>th</sup>, and 9<sup>th</sup>.

Additions of an auditorium, cafeteria, auto shop, classrooms and a gymnasium were made to accommodate the number of high school students in 1949. A classroom annex was added to the Hillside building in 1962. In 1966 a new library was added, and a new band room was constructed in 1975. Hillside was relocated to a brand new, state-of-the-art building on Fayetteville Street in 1995.

Hillside has come a long way since it first existed as a small grade school in the 1880s. The educational goals which its founders set at that early date set the standard for the Legacy of excellence to which countless generations of Hillside graduates have contributed.

## School Song

Lyrics by Philmore "Shorty" Hall

### Verse 1

Hillside High! O Hillside High!  
We cherish thee with honor.  
Tho someday we're far away  
We'll praise thee with our hearts  
We'll be true forever to a school so dear  
You will live forever  
Through all eternity

### CHORUS

Dear Oh Hillside how we love thee.  
How we love the blue and white.  
From us thy name shall ne'er depart  
Ne'er will it die.

Our hearts are gleeful  
Filled with joy and pride.  
Your memory lingers always  
Three cheers, three cheers for Hillside High.

### Verse 2

Upon the hill, dear Hillside High  
With courage we proclaim thee.  
We, your sons and daughters too  
Are always true to you.  
We'll forever love thee,  
Yours a lasting name.  
It will be our duty to always keep your fame.

# *Virginia Watson Adams*

**Class of 1963**

Virginia Watson Adams, PhD, RN, FAAN is the daughter of Floyd and Gracie Green Watson of Durham, NC, and sister to Floyd Watson Jr., Robert Lee Watson, Mary Louise Blue, Shirley Ann Jones and William Aerique Watson. She is the proud mother of Tonja Camille Gooden and William Aerique Adams and grandmother of Jalen Khalil Thompson.

Her most recent career contributions were in the role dean of the UNC Wilmington School of Nursing (SON) and first director of the inaugural National League for Nursing (NLN) Center for Diversity and Global Initiatives. After serving a year as interim dean at East Tennessee State University College of Nursing, she became the first African American dean at UNC Wilmington School of Nursing. In the Wilmington community, she became the first African American nurse to simultaneously serve on a hospital board, a public health board, a mental health board and area health education board, two of which she chaired. Partnering with NC Representatives Thomas Wright, Danny McComas and Carolyn Justice and Senator Julia Boseman; also, Downtown Wilmington Rotary Club and UNCW administration, she secured \$30M in funding for the design and construction of a new facility for its School of Nursing, the only building on campus that was fully funded from inception. Other community engagement initiatives included two nurse-managed clinics in rural communities, a school health center and a successful 4-year SON pipeline health careers academy (Camp Bones) for under-represented students.

In her role as the first director of the inaugural NLN Center for Diversity and Global Initiatives, she gave voice to the critical need for a more diverse nurse educator workforce to the 40,000 members of NLN and over 1200 member schools through an annual workshop on diversity and inclusion strategies. A vision statement about achieving diversity and meaningful inclusion in nursing education was developed and made available to all nursing education programs followed by a diversity and inclusivity toolkit to guide nursing education programs in their efforts to achieve excellence. She planned and facilitated a yearly global roundtable for faculty who were educated in countries other than the US or had current academic partnerships with other nations. Strategies that addressed common nursing education issues were developed. As the inaugural chair of the Core Steering Group of the International Council of Nurses Education Network (ICNEN), she convened a core steering group from Australia, Finland, Taiwan, United Kingdom and South Africa, that represented their regions of the world. Quarterly virtual meetings were with the Core Steering Group. Face to face meetings regarding global nursing education issues were convened during the biennial ICN Congress in countries around the world.

Currently, Dr. Adams is Chair of the Physical & Mental Health Subcommittee of the Wilmington (NC) Alumnae Chapter, Delta Sigma Theta Sorority, Inc., Co-chair of the American Academy of Nursing Diversity & Inclusivity Committee and a member of the New Hanover County Consolidated Public Health and Social Services Board.

Dr. Adams received her BSN from Winston-Salem State University, MSN from UNC-Chapel Hill and PhD from UNC Greensboro. She has a 13-year military history (active and reserve) and achieved the rank of Lt. Colonel.

Selected Honors include Fellow in the American Academy of Nursing, WSSU Distinguished Nurse Educator Award and UNC-Chapel Hill Distinguished Contributions to Nursing Education Award.

*Audrey Fairley Boykin*  
**Class of 1959**

Audrey Fairley Boykin is the eldest of the three children of the late Mable and Frederick Douglas Fairley's. After graduating from Hillside High School in 1959, she received a BS degree in biology with a minor in media from North Carolina Central University. She began her professional career in the Medical Records Division at New York University but returned to Durham and taught math and science at Fayetteville Street School, Shepard Middle School, and Rogers-Herr Middle School. She did additional graduate work at Duke University and received a MA degree in educational administration and supervision with Summa Cum Laude honors from NCCU. She became assistant principal at Rogers Herr Middle School where she also served as Director of a joint Durham City Schools / Duke University Summer Enrichment and Masters of Arts in Teaching (MAT) Program. As Director of this program, she provided demonstration and internship opportunities for Duke University MAT students while working with students, teachers, and parents in area public and private schools.

In 1986, Boykin became principal at C.C. Spaulding Elementary School and was recognized for leadership in student achievement with the N&O media depiction "CC Spaulding Students Defy All Testing Odds!" The school was also awarded the State's Golden Key Award for innovative approaches to parent involvement. Audrey also received WTVD's acclaimed "Educator of the Year Award" and was featured as one of the stations "Hometown Heroes." She received the Ebonette's "Making a Difference Award" and also honored as a Durham Woman of Distinction for her service to the community. She was co-producer of two educational videos for television with then State Superintendent Craig Phillips. Audrey participated in a foreign study project affording local students in Durham public and private schools as well as Chapel Hill/Carrboro students the opportunity to travel to France, England, and Italy.

Audrey became principal of Pearisontown Elementary School, an institution recognized for outstanding student achievement - and after retiring, she returned to DPS partnering with that was facing academic challenges. After working with this program, she became an adjunct professor at NCCU where she methods classes in mathematics and science. Audrey's religious and civic focus has been a paramount compliment to her life. She currently attends Peace Missionary Baptist Church and has participated in Bible Study Fellowship (BSF) for many years. Additional civic involvement included North Carolina Association of Educators, Durham Chamber of Commerce Education Task Force, Durham Literacy Council, Duke University's Center for Documentary Studies, Community Alliance for Global Study Projects, Literate Ladies of Durham Book Club, the Alpha Zeta Omega Chapter of Alpha Kappa Alpha Sorority, Inc. and a founding member of SS Renaissance Corporation. In spite of health issues, she has continued her service to the community. Although Boykin is the biological mother of one daughter, Hope Boykin, she has mentored numerous students - providing both moral and financial support where needed. She planted the seed of "reaching back, grabbing one" in her daughter, Hope. Hope, as such, captured her mother's spirit and discovered an underprivileged student during one of her dance seminars, introduced him to her mother and, along with another member of her family, supplied financial support to this youth as he completed his high school and college years. Upon his graduation from Julliard, he has been able to become a renowned performer, choreographer, and lecturer throughout the country and world. After viewing the movie, "Blindside," he telephoned in tears thanking this family for assistance and proclaiming this film to be "his" story.

Since retirement, Boykin has continued to be involved with students and fellow seniors in a service capacity. She and family members provide an annual scholarship in honor of her late parents for high school seniors who are members of their church—Peace Missionary Baptist. It is not uncommon for her to receive request from friends, for prayer and spiritual support. She presents workshops and seminars; has organized activities to promote an understanding of the necessity to vote and arranges transportation to get citizens of Durham to the polls. In 2017, Audrey joined four Hillside High School alumni members to form the SS Renaissance Corporation to support the performing arts at Hillside High School. It was through this organization that the famed "Mr. G's Swing School" returned to the Hillside stage through the dynamic work of Mr. Wendell Tabb in his production of "Hallelujah, It's Swing School!" and students and teachers in area schools had the opportunity to learn more about the legacy of Hillside High School and its graduates who were "first" and/or very prominent in their professions. An outgrowth of this activity was the call from Mr. Tabb to sponsor an HHS Legacy Week-end Luncheon to compliment his formidable legacy weekend program.

## *Willie "Ricky" Brown*

### **Class of 1967**

Willie Brown known to many as "Ricky" grew up with a passion for automobiles. During his tenure at Hillside he assembled a string of hot rods. After graduating from Hillside High School in 1967, he attended NCCU while continuing his quest to build fast cars. He was quoted as saying *"I attended classes at NCCU and would come right back home- and crawl under my hot rod and continue working"*. While at the University, Brown built his first race car which was a 1955 Chevrolet 2 door sedan boasting a 350 cubic inch, 400 horse powers, and manual transmission. One of his professors asked him to bring the race car to class for a *"Show & Tell"* discussion. His quest for gold continued as he broke the racial color barriers one race at a time. He was the first and only Black sportsman racer to enter and race at the newly built Rockingham Dragway sanctioned by NHRA for a national event.

After participating on the largest stage in drag racing with competitors from all over the nation, a fire was lit under him to take racing to heights where Blacks from the Triangle area had never been. Then in 1973, "Ricky" built a 1968 Chevy Camaro which he meticulously fine-tuned it to become one of the most highly favored cars to win the race on race day at any local track. He won eleven weekend races in a row at Sanford Dragstrip. After the final race the track owner refused to pay him all of the prize money. The track owner closed the track and converted it into a trailer park. The momentum continued into 1974 where his 1968 Camaro won a race at Dunn-Benson Dragstrip. As he was loading his car to leave the track, he found himself and his partner surrounded by several White competitors. The spokesman for the group told Brown *"if you come back to this damn track again, I will personally put up a \$100 protest fee challenging the legality of your race car"*. The next weekend "Ricky" and his partner showed up again with seven \$100 bills taped inside the front windshield of his car-carrier truck (back then it was unheard of for a Black man to own a car transporter truck). Brown instructed the young boy on the gate to run and tell the posse that surrounded him last weekend that after the race, he wanted to protest all seven of them, not just one. As "Ricky" started to unload his race car, word came across the track P A system that no protest would be allowed that day. Chalk up another win for the Hillside graduate.

Over the next 30 years Willie Brown continued to build quality high performance cars both show and race cars (Camaros, Chevelles, and a Dodge). His biggest moment in racing came in the year 2000 when he returned to Rockingham Dragway and won the Super Chevy Show Magazine Race (Box). Not only did he receive a large cash prize and contingencies, but his picture was later put in Super Chevy Magazine which is sold worldwide. Brown retired after that illustrious win, but it wasn't over for him. In 2018 he was awarded a Humanitarian Award by a group out of Maryland called "The Crew" at Maryland International Raceway in Budds Creek, MD.

Today Willie "Ricky" Brown still attends big races up and down the East Coast. He says, *"It's still in my blood but I like to just keep up with the new racing technology, meet new people, and hopefully meet the next Black legend of the sport from Hillside High School"*.

## *Ferne Thorpe Dixon*

Ferne Thorpe Dixon, daughter of the late John and Naomi Thorpe, was born at Lincoln Hospital in Durham, NC. She has one sister, Amelia, who is a 1957 graduate of Hillside High School (HHS). She attended North Carolina College (now North Carolina Central University) where she graduated with a Bachelor of Arts degree in French and English. During her sophomore year, she participated in an exchange program affording her the opportunity to spend a semester at the University of Wisconsin. Having established strong ties, Ferne continues to stay in touch with her student host.

While at NCCU, Ferne was inducted into the Alpha Chi Chapter of Alpha Kappa Alpha Sorority, Inc. and Pi Delta Phi National French Honor Society. She returned to NCCU and received a Master of Arts degree in English.

In 1968, Ferne began her teaching career with the Durham Public Schools (DPS). Her first teaching job was as a French teacher at Whitted Junior High. A few years later, she began teaching at Durham High School (DHS) where she was chairperson of the French Department and DHS representative for the Duke-Durham Fellows Program.

Ferne worked with colleagues, Julia Fairley and Barbara Porter Logan, to develop the program, Foreign Languages in the Elementary and Middle Schools (FLEMS). She became one of the television teachers for this project.

Her last five years as a teacher in DPS were spent at Hillside High School. There, she chaired a group of teachers and staff who recreated the Harlem Renaissance for the entire student body.

In 2017, Ferne worked with a team to form the Swing School Renaissance Corporation and worked diligently for two years on the goals of the organization. This included a Legacy Luncheon honoring Mr. H. Gattis' 100<sup>th</sup> birthday and a Legacy Weekend honoring several HHS graduates. The Corporation's ultimate goal of bringing back Mr. G's Swing School to the Hillside stage was achieved with the production of "Hallelujah! It's a Swing School Musical" directed and produced by Mr. Wendell Tabb, Director of Theatre.

Additional contributions Ferne has made through SS Renaissance include:

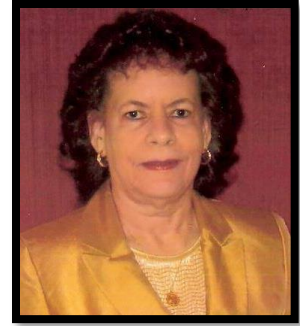

- Study/Resource Guides recognizing achievements of Hillside graduates.
- Presentation of a check (\$13,000) to the Performing Arts Department at HHS.
- Joining others in support of naming the HHS auditorium the John Gattis/Wendell Tabb Theatre and the Wendell Tabb Stage. Ferne and the Renaissance team received Special Recognition Legacy Award plaques from the HHS drama department.

She is a life-long member of White Rock Baptist Church.

Ferne is the mother of two adult children, Fredrick (Rick) Dixon (Suan) and Ivy Joy McMillan (Derrick). She is blessed to have a beautiful blended family of grandchildren and great-grandchildren.

**To My Dear Audrey,**

**Congratulations on this esteemed honor and recognition, which you so richly deserve!**

**You have set and maintained the bar very high for all of us. Your work ethic and character are impeccable as seen through the numerous awards, achievements, and recognitions you have received throughout the years.**

**Looking up to you was easy because you did everything before the rest of with such finesse! When you believe in someone, your passion, energy, and commitment are unrelenting. I have never known you to run away from an honorable fight, or to turn your back on the underdog. You have always championed noble causes that have improved and enhanced the lives of family, friends, and the community.**

**Academically, you provided a stellar example for us to stay the course and to push through education with excellence and perseverance. Before we all knew about "The Hidden Figures from NASA, you were excelling in science and math. You were the predecessor of the current women in science programs. Professionally, fellow educators, parents, students, and administrators benefitted from your knowledge and expertise in the field. Only the best was good enough. No excuses.**

**Audrey, even though your life has not always been a bed of roses, your faith in Christ, and your dedication to prayer has served as hope for a bright, productive future. You just keep going and going. Looking younger and younger! Always tasteful, especially in the pink and green! Without question, your care and love for your precious daughter Hope is unwavering. But you have also shared that nurturing with countless other youth who still sing your praises and have gone on to build upon the foundation you gave them in their early academic lives.**

**I am so thankful that the committee has acknowledged your worthiness of this great honor. Enjoy this moment. You have earned it!**
